

BHARAT BIOENERGY
AND RENEWABLES

**Turnkey - EPC
Suppliers of
Compressed Bio
Gas (CBG) Plant**

Bharat Bioenergy and Renewables Pvt. Ltd.

From Waste to Energy – End-to-End EPC Solutions

**Design • Engineering • Procurement •
Construction • Commissioning**

About Us

Bharat Bioenergy and Renewables Pvt. Ltd.

was founded with a broad vision to turn India's organic waste into valuable clean energy. As a pioneering biogas plant company in India, we specialize in delivering end-to-end waste-to-energy solutions, helping industries, municipalities, and farmers for reduce of emissions and achieve sustainability.

Our Capabilities -

We offer complete solutions for:

- Compressed Biogas (CBG) Projects
- Green Hydrogen Systems
- Operation & Maintenance (O&M) Services

Our in-house expertise covers:

Design | Engineering | Equipment Supply |
Installation | Commissioning | O&M

TRANSFORMING WASTE INTO CLEAN ENERGY

Our Start to End Support Includes:

-  **Project Registration Support**
-  **TPA with GAIL & District CGD**
-  **Bankable DPR Preparation for Loans**
-  **PESO, CTE & CTO Approvals**
-  **MNRE Subsidy Assistance**
-  **Carbon Credit**
-  **Agriculture Equipment Subsidy Support**
-  **Fertilizer Setup & Marketing Support**
-  **Complete EPC Execution**
-  **Operation & Maintenance (O&M) Services**
-  **Napier Grass Seeds & Cultivation Guidance**

From Waste to Clean Energy - CBG & Hydrogen Plant

High efficiency & reliable technology

Continuous & automatic operation

High methane purity (>98%)

Modular, scalable & customizable

First Movers with Our Technology Partner

- Membrane based Biogas to CBG Upgradation Project (6TPD CBG) in India
- Company to Execute 4 CBG Projects under SATAT (Total 30TPD CBG) till 2022
- Spent wash based Biogas to CBG plant (H₂S scrubbed from 45,000 ppm to 05ppm)
- Integrated Own Manufacturing unit for all Major Biogas Equipment.
- To start Manufacturing
 - Double-membrane Gas holders
 - Containerized Membrane upgradation plant
 - Integration of BiogasScrew Compressors

Why Choose Us

- End-to-End Solutions
- Proven Technology & Expertise
- Customized Plant Design
- High Quality & Reliability
- Strong After-sales Support
- Experienced Team
- Accuracy in Purity & Recovery

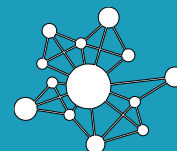

Trusted by leading technology providers and research institutions worldwide.

Government & Compliance Support

Multiple Projects Across
India and Overseas

Strong Network & Local
Presence

Empowering Rural India

Driving a Sustainable
Future

Corporate Office

Fifth Floor, Pride Silicon Plaza, 'B' Wing, S B Road, Shivajinagar, Pune - 411016, Maharashtra

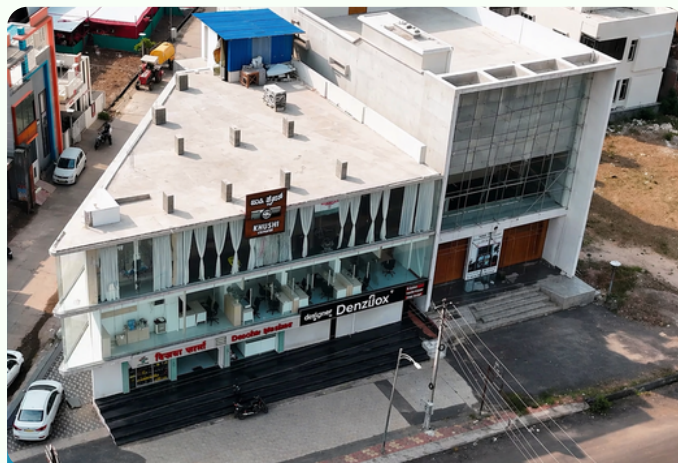

Factory Office

Bharat Weight Bridge, Tukaram Nagar, Ganesh Nagar Chikhali, Talwade, Maharashtra

Manufacturing Unit I

Bharat Weight Bridge, Tukaram Nagar, Ganesh Nagar Chikhali, Talwade, Maharashtra

Regional Office

1st Floor, Khushi Square Building, Akkol Road, Nipani, Karnataka 591237

Manufacturing Unit II

2nd Main Road, 32nd Cross Rd, 7th Block, Jayanagar, Bengaluru, Karnataka

Factory Office

2nd Main road, 32nd cross, Jayanagar 7th Block, Bangalore
